Enquiry: CCASS Hotline : 2979 7111 / E-mail : clearingps@hkex.com.hk

Reference is made to the circular dated 7 August 2025 (Reference: [PT/NIS/CCASS/236/2025](#)) regarding the implementation of the Uncertificated Securities Market (USM) in Hong Kong. Since this last update, Hong Kong Securities Clearing Company Limited (HKSCC) has made great progress together with the Securities and Futures Commission (SFC) and the Federation of Share Registrars Limited (FSR) on the readiness of implementing the USM regime.

The SFC today announced that the USM regime is targeted to be launched on **16 November 2026**. HKSCC is also pleased to announce that the SFC has approved the corresponding amendments to General Rules of HKSCC and the HKSCC Operational Procedures, which will take effect upon the implementation of USM regime. The corresponding amendments are now available on the HKEX USM designated webpage. These approvals represent a key milestone in the transition to the USM regime and pave the way for the successful commencement of implementation.

To facilitate the preparation of Clearing Participants and Custodian Participants (together, the “CPs”), a series of activities are planned as follows:

- (i) A supplementary information paper on USM implementation is now available on the [HKEX website](#). This paper sets out the latest updates, including:
- Operational and procedural changes to securities deposit and withdrawal under the USM regime;
 - Arrangements for prescribed securities to become participating securities so that issuers transition to the new regime in an orderly manner;
 - Modernisation of the relevant HKSCC fee structure under the USM regime; and
 - Fees charged by approved securities registrars (ASRs) and collected via HKSCC.

CPs may contact HKSCC via the CCASS Hotline with any questions on the information paper, including enquiries about how the modernised fee structure may affect their own fees based on their historical portfolios.

- (ii) Three briefing sessions will be conducted to support CPs in their preparation for USM implementation. CPs are strongly encouraged to attend and register via the Event section in Client Connect on [HKEX Access Management Portal](#) by **14 April 2026 (Tuesday)**. Details of the briefings are as follows:

- (iii) To better understand CPs' progress of preparation work for USM, HKSCC, in collaboration with the SFC, invites all CPs to complete "**The Implementation of Uncertificated Securities Market (USM) – Questionnaire**" via Client Connect on [HKEX Access Management Portal](#). Completion of the questionnaire is **mandatory**, and all CPs are required to submit their responses by **24 April 2026 (Friday)**.
- (iv) To facilitate CPs in preparing for system readiness, relevant CCASS Terminal User Guides are now available on the [HKEX USM dedicated webpage](#).
- (v) Practice sessions will be arranged prior to the USM implementation for CPs to be familiarized with the new USM related functionalities and are well-equipped to support post launched daily operations. Details of the practice sessions will be announced in due course.

CPs are encouraged to visit the [HKEX USM dedicated webpage](#) for the latest information, guidance materials and reference documents. CPs are highly recommended to coordinate with their IT teams and/or system vendors to ensure timely preparation.
